### **Annual Report**

As an association we have been working on a plan to re-introduce the Winter Course (of fond memory for some) it is hoped that it will be as successful as its predecessor. I would like to thank Jo Deakin who has put in a great amount of time on the project with the help of Terry Freeman

As I was away for the Age Group Championships I was very pleased to hear that they had been a success and would thank everyone who helped especially Sally Stow who bore the brunt of the organisation.

Jeff Wilkes from Solihull has been President this year and had a lot of input into finding people for the winter course. I hope he has enjoyed his year of office.  
Our treasurer John Bacon has not been in the best of health this year and I hope he will continue to improve.

It is important that all clubs should send a representative (or two) to the AGM as without feedback from every club we cannot function.

Have a happy Christmas,  
A big thank you to everyone who helped in any way.

Pamela Davies
