## Annual General Meeting

Dear Sir or Madam

The annual general meeting of the above association will take place on Wednesday 10th January at Coventry Leisure Centre at 7.45 p.m. Each club may send two voting delegates. Annual subscriptions based on one penny per member are due on this date, also due are the fees for the team race gala the total cost of which will be £20 per club. Please inform the gala organisers of any withdrawals before the gala date.

Yours faithfully

Pam

### Annual Report

As the gala format worked well the programme will remain the same this year. The handing out of minor medals outside the presentations also was a success, cutting down the time taken and ensuring that most medals were collected. The secondary galas were unlicensed and run over one weekend in May, which is preferred.

I would like to thank every-one who has supported both me and the association over the past year. Without so many peoples' help the organisation would cease to function.

It has been a pleasure to have Malcolm George from one of our newest clubs Kingsbury as our Prez this year and I am sure he has enjoyed his year in office.

I hope that all clubs will send a representative (or two) to the AGM as without feedback from every club we cannot function.
